

BANN WILLIAMS:

Bann is a registered Landscape Architect and LEED®AP with a Bachelor's Degree in Art and a Master of Landscape Architecture. He has over twenty years of design and project experience in the private and public sectors; Bann brings his balanced point of view, depth and experience in the development and implementation of different scales and types of projects. He is an excellent project manager and has the ability to resolve many complex project issues without sacrificing design and client's original intent.
