

XIAOYUAN DU:

Xiaoyuan was born in Wuhan, China and moved to Miami upon accepting a position with Savino & Miller Design Studio in 2016. She holds a Master of Landscape Architecture from the University of Arizona and a Bachelor of Landscape Architecture from the Sichuan Fine Arts Institute. Her Master's thesis explored sustainable neighborhood planning in the Philadelphia area and she has earned many awards for her work as a student, most notably receiving the AZASLA Student Collaborative Honor Award in 2015. In addition to landscape architecture, Xiaoyuan studied and practices fine art, which adds a unique dimension to her approach to landscape architecture.
